PETITION TO WITHDRAW NOTICE OF ABANDONMENT
UNDER 37 C.F.R. §1.181(a)

Commissioner for Patents:

On January 13, 2009, the Patent Office mailed a Notice of Abandonment in the above-referenced application. The Notice of Abandonment states that Applicant failed to reply by September 16, 2008 to the undelivered Non-Final Office Action, dated June 16, 2008. On this basis, the application was deemed abandoned. The Notice of Abandonment is in error because Applicants did not receive the undelivered Non-Final Office Action mailed June 16, 2008.

Applicants hereby petition under 37 CFR §1.181(a) for the withdrawal of the holding of abandonment because of the failure to receive the Non-Final Office Action and the corresponding lack of any knowledge of the existence of the Non-Final Office Action until receipt of the Notice of Abandonment mailed January 13, 2009.

Accordingly, Applicants provide herewith a submission in compliance with the requirements for petition under 37 CFR §1.181(a) to withdraw a holding of abandonment as described in MPEP §711.03(c).

As noted above, an initial Non-Final Office Action was mailed in this case on June 16, 2008, but was not received, nor was any phone message relating to the Non-Final Office Action or the abandonment received, by the undersigned nor anyone at the law firm of the Applicants' representative, that being Seed Intellectual Property Law Group PLLC, referred to hereinafter as "the law firm".

Furthermore, a search of the docketing records of the law firm has been performed, and the search confirms that the Non-Final Office Action was not received by the law firm. The Applicants further hereby provide the following information regarding procedures for receiving and handling mail from the USPTO to further satisfy the requirements regarding a grantable petition under 37 CFR § 1.181(a).

The following are the procedures at the law firm for processing mail and docketing PTO due dates:

- a. Mail is received in the office; all USPTO correspondence is sent directly to docketing department;
- b. Docketing personnel make an independent review of the documents and produce an independent calculation of due dates (without the use of a computer);
- c. Docketing personnel enter the base date (date mailed from USPTO) into our CPI (Computer Packages Inc.) database and select the appropriate template from the CPI system with the required date calculations programmed for each template;
- d. Docketing personnel compare the independent calculation date with the CPI-generated date for accuracy;
- e. Docketing personnel forward a copy of the "print screen" with all due dates listed along with the USPTO correspondence to assigned Legal Assistant for the responsible attorney;

- f. The legal assistant reviews and independently verifies the docketing department's due date, and enters the due date on a separate paper calendar;
- g. The legal assistant enters the USPTO correspondence into the appropriate file, and updates the file index listing the date mailed from the USPTO and the due date.

Attached hereto are copies from our docketing department showing all actions/reminders entered into CPI with the base date of June 16, 2008, as well as a copy of all due dates for the three-month date of September 16, 2008. A copy of the legal assistant's separate paper desk calendar showing the due dates for the month of September is also enclosed.

Upon a strict review of our docketing department's records, the Legal Assistant's desk calendar, the file, file index, and the Image File Wrapper, it is my belief that the Non-Final Office Action was not received in our office at any time. Accordingly, the lack of a response to the Non-Final Office Action by the three-month date of September 16, 2008 was unavoidable since the existence of the Non-Final Office Action was not revealed until Applicants' representative received the Notice of Abandonment dated January 13, 2009, through no fault of the Applicants.

No fee is required.

Based on the above facts, it is requested that the Notice of Abandonment be withdrawn and the Non-Final Office Action be re-mailed.

Application No. 10/763,570
Reply to Notice of Abandonment dated January 13, 2009

Although it is believed that no fee is required, the Director is authorized to charge any petition fee due by way of our Deposit Account No. 19-1090.

Respectfully submitted,
SEED Intellectual Property Law Group PLLC
